## Reflection Questions

Together please write a brief reflection on what it means to be married in the Catholic Church. Please use a separate sheet of paper. In this reflection, please consider the following:

What is your religion, and the meaning of God in your life?

How are you active in your faith life or your Church?

What, if anything does God have to do with your love for each other?

What, if anything, does the Church have to do with your love for each other?

Why do you want your wedding in the Catholic Church?

In what ways would the Catholic Church benefit from your marriage?

What code of morality is expressed in your life right now?

What religious virtues do you look for in your future spouse?

What religious virtues do you bring to the marriage?

Are you living together or separately? Why?
